Hi,

Thanks for looking at the first issue of Sloppy Noise. I've been wanting to put a zine together for a while and A Photozine with a focus of Punk and Metal bands made the most sense to me. Hope you enjoyed it and stay on the look out for future issues.

But wait! It's not all about me. Do you shoot shows too? Want some of your photos to be printed in the next issue? Or, maybe you wanted to make a donation? Send me an e-mail at John12789@gmail.com.
